DIDSBURY, ALBERTA, WEDNESDAY, MAY 2, 1950

\$2.00 A YEAR; 5c A COPY

## C.A.D.P. Making Many Alterations at Neapolis Cheese Factory Site

The Neapolis Cheese Factory, now operated by the Central Alberta Dairy Pool, has been closed for several days and extensive alterations are being made to the plant equipment, including the installation of a modern bottle washing machine and other labor-saving devices. These alterations were made possible by the installation of electric power following completion of the rural electrification project.

Since the C.A.D.P. has taken over the operation of the cheese factory east of Didsbury the plant has been working seven days a week and plans are to increase the capacity as more milk is being routed to the factory.

At present building is being restricted to the erection of accommodation for employees and it has been reported that an army hut has been purchased and will be moved to the property (now occupied by the skating rink) where it will be remodelled into modern living quarters.

Just when additions will be made to the present building to provide for increased capacity and proposed cold storage lockers has not been ascertained.

## Bancroft Buttercups Have Regular Meeting

The Bancroft Buttercups held their monthly meeting at the Neapolis girls' home on April 22, with sixteen members present.

The roll call was answered by each member naming one spring flower.

The objective for the Juniors was to bring more pictures suggesting methods of decorating a bedroom. The Seniors' objective was to make in miniature some part of a bedroom (curtains, rugs, etc.).

Three visitors, Shirley Parker, Anne Shields and Linda Shields, were present.

Kay Thomas was in charge of the program. Shirley Schmick and Sheila Stearns each won prizes in the Juniors. In the Seniors prizes were won by June Richardson and Lucienne Stearns.

After the meeting a delicious lunch was served.

The next meeting is to be held at the home of Mrs. Allan Marsh on May 20th.

## WESTCOTT NOTES

Those of us who attended the musical festival at Olds last Friday thoroughly enjoyed it.

Mr. and Mrs. Garry Bogner and daughter Doreen arrived here last week from Wetaskiwin and we understand they intend living at Didsbury in the future. At present they are staying with Mrs. Bogner's parents, Mr. and Mrs. J. R. Luft.

Mr. and Mrs. Herbert Goetjen spent last Saturday in Calgary, bringing back their daughter, DeLoyle, who has finished her course of study for this year at the Faculty of Education.

Flu and bad colds are the trend of the day. Marjorie Goetjen being very ill over the weekend.

Mrs. Ethel Korsch, our teacher, is also ill and Mrs. Allen Viopond is relieving at the Westcott school during her absence.

Mr. and Mrs. Clarence Reinhardt and Mrs. B. Reinhardt and baby spent Sunday afternoon with Mr. and Mrs. R. Sutherland at Elkton.

Mrs. Alice Templeton, Mrs. Linden Jacobsen's mother, has returned to Vancouver after spending the past four months here with relatives. Mrs. John Jacobsen accompanied her as far as Calgary. The congregation of the United Church at Westcott held a farewell dinner after services on Sunday for Rev. and Mrs. Bainbridge and daughter Doris, in the church basement.

## BOARD OF TRADE MEETING MONDAY, MAY 8, LIONS HALL

The Didsbury and District Board of Trade will meet in the Lions hall on Monday, May 8, at 8:00 p.m. and a full attendance is requested. Important business is to be discussed, including plans for the coming year, the shopping carnival, and the election of officers will be held.

## DR. S. H. HOLLOWAY TAKES OVER MEDICAL PRACTICE

On May 1st Dr. S. H. Holloway took over the medical practice in Didsbury from Dr. J.A.D. Paul, and the new doctor is now residing in the former Paul residence, where he has his office.

Dr. Holloway graduated from the Olds School of Agriculture in 1926, and later took his degree in medicine. He returned to Eastern Canada and has been practicing at St. Andrews, N.B.

Dr. Holloway is married and has a three-year-old daughter, Beth. Mrs. Holloway and daughter are expected to arrive in Didsbury today.

## Citizens Getting Ready For Water and Sewer

Now that the frost is out of the ground and spring has arrived, several local citizens are preparing for the inauguration of Didsbury's water and sewer system, which should be completed early in July. During the past couple of weeks a number of property entrance ditches have been dug by hand labor and several more are now in the process of being completed.

The ditching machine of Wilson & Wilson Construction Co. has not yet been put into operation but very little ditching remains to be done. However, sewer entrances to property lines, and to connections where required, have still to be excavated.

Work is progressing on the sewer pumping station, the well pumping station, and the disposal plant, and if progress goes according to plans the water system should be completed within the next couple of months.

## MELVIN NOTES

Members please note that the May meeting of the Melvin W.I. will be held on the 8th instead of the 10th at the home of Mrs. George Youngs. Housewives will be judged and roll call is a household or cooking hint.

Mr. and Mrs. C. Ford (Muriel Jackson) and children spent several days last week visiting relatives in the district.

Friends will be glad to know that Ronald Johnston is at home again after having his hip repaired at the Holy Cross Hospital in Calgary. Ronald feels pretty well and is able to get about a little on crutches.

Many children from the district took part in the musical festival at Olds on Friday, along with other pupils of the Didsbury public school. Dupont's school bus transported a van load from the festival.

## MRS. AGATHA REIMER

Mrs. Agatha Reimer passed away at the home of her daughter, Mrs. T.W. Sanderman of Olds on Monday, May 1st. She was 87 years of age.

Predeceased by her husband, H. L. Reimer, she is survived by five sons and five daughters.

Funeral services will be held at the Berghal Church east of Didsbury on Friday, May 5, at 2 p.m. Rev. P. Peters of Edmonton will officiate, and interment will follow in the Berghal cemetery.

## Mrs. Jim Tanton Host To Bancroft Institute

The April meeting of the Bancroft W.I. was held at the home of Mrs. Jim Tanton on the 12th. The meeting opened with the Creed and singing of "The Old Rugged Cross."

Presentations were purchased for two brides, Mrs. Bob Hannah (Dorothy Fox), and Mrs. Ken Wood (Shirley Stewart).

Mrs. Bob Fisher gave the report on the Red Deer Conference, and Mrs. H. Swanson read a paper on rheumatic heart disease in children.

Mrs. Tanton won the contest, an egg relay pushing an egg across the table with the nose. Mrs. Ohlhausen won the prize for the best flour sack article. Each member brought an article and they were judged and will be used as prizes for the rest of the year. The draw was won by Mrs. H. Swanson. At the close of the meeting a delicious lunch was enjoyed.

## 50 Roses Presented For 50 Years Service

The Evangelical Church annual meeting and supper was held on April 28 in the basement of the church. At the beautifully appointed and well-laden tables places were laid for over 130 guests. After the grand supper and social hour congregation members listened to a number of very good and encouraging reports. Officers were elected for the coming year and votes of thanks were given to those who helped make the church year a success from the spiritual standpoint as well as the material goal.

An interesting event took place during the evening when the Sunday School superintendent, Mr. Ezra Dippel, read an address and presented a basket of fifty American Beauty roses to Mr. J.V. Berscht, commemorating fifty years of continuous service as secretary-treasurer of the Evangelical Sunday school, four years in Ontario and the forty-six years since the Sunday school was organized in Didsbury. Mr. Berscht, in well-chosen words, said how thankful he was to have had the health and the strength, and had given his services gladly as "Unto the Lord" and he thanked his friends for their kindness and loyalty through the years.

## United States By Far The Wealthiest Nation

The statistical office of the United Nations has issued an estimate on world income for the year 1948, the figure being \$31 billion. Of this total \$22 billion or 40 percent was produced in the United States where live 7 per cent of the world's population. Canada's wealth production was \$15,450,000,000 in 1948, produced by less than 13 million people.

The continent of Europe, including a portion of the U.S.S.R. produced wealth to a total of \$192 billion in 1948. The Soviet Union alone which occupies one-sixth of the world's land surface and has about one-tenth of the world's population, produced \$32 billion in new wealth.

In all of Asia, Africa, South America and Central America, with a population of one and a half billion people total wealth produced was only a little more than \$90 billion.

Mr. and Mrs. J. Hughes motored to Calgary last Tuesday to attend the graduation exercises of their daughter, Phyllis, from the Calgary General Hospital School of Nursing.

## JERSEYS ESTABLISH RECORDS

The Jersey cow, Didsbury Joy's Emma, 137705, bred and owned by N. Reid Clarke at Didsbury has completed a six-year record in 305 days of 10,032 lbs. of milk and 324 lbs of fat.

In the high production Jersey herd of W.A. Greenway & Son of Acme, Amorlea Volunteer's Queen, 140351, has completed a seven-year-old record in 365 days of 10,331 lbs. of milk, 598 lbs. of fat, with a test of 5.47%.

## First Anniversary of The Zella Institute

Seven members and one visitor met at the home of Mrs. Arthur Walcott Tuesday afternoon, April 25, for the first anniversary of the Zella Women's Institute. It was regretted that Mrs. Robertson could not be present, as planned.

Roll call was an exchange of flower seeds and plants. Mrs. E. Lowrie gave a very interesting report on the Red Deer convention.

A bulletin and letter from the Canadian Association of Consumers was read and discussed. The bit of fun was a reading by Mrs. E. Lowrie entitled "Turkeys are Queer Things."

It was decided to send \$5 to the fund which will send Mrs. McGorman to Copenhagen, Denmark, this summer as A.W.I. representative.

The door prize, presented to the 5th lady to enter, was won by Mrs. Leon Grace.

The next W.I. hostess will be Mrs. John Hansen, who will entertain the ladies at her home on Thursday afternoon, May 18.

Mr. and Mrs. Jim Johnston motored to Granger Sunday, April 23, leaving July to visit with her grandparents.

Mr. and Mrs. Edward Walcott, Mr. and Mrs. John Reinhardt and Bill Broadbent attended the hockey game in Calgary Monday evening, April 24.

Calgary visitors on Tuesday were Mr. and Mrs. W.A. Spooner, Mr. and Mrs. Henry Luft, Marion and Jeanie, and Ronnie Luft. In spite of the recent snow flurries of the past week nearly all the farmers are out on the land now.

Didsburyites were disappointed Sunday when many turned out both morning and evening to see the new Stampeder and Eskimo trains put into operation on this line by the C.P.R. The disappointment came when the train did not stop here at all.

Red Cross donations have been still coming in and the total of the campaign to date is \$2,500.99.

## Cornerstone Ceremony Marks U.N. Day

United Nations Day was celebrated by delegates and staff members of U.N. with a cornerstone ceremony for the world organization's permanent headquarters (above), now under construction in New

York City. Scheduled as principal participants in the ceremony were President Harry S. Truman of the United States (upper right insert) and U.N. Secretary-General Trygve Lie (lower right insert).

## Y.P.U. Variety Program in Theatre Draws Large Crowd

The Knox United Church Young People's Union presented a variety program in the Didsbury Opera Theatre on Wednesday, April 26th, featuring a one-act play, "The Courtship of Marie Jenyns" under the capable direction of Miss Laura Edwards, and the theatre was packed to the doors for the evening performance.

The cast of the play was as follows:

Marie Jenyns, Anne Engwer; Michael Lorrigan, Roy Relfenstein; Louis Hebert, Stu Matheson; Mrs. Annabelle Wernecke, Doris Bainbridge; Mr. Wernecke, Clair Fischer; Mr. Dinsmore, Will Miller; Father Lebeaux, Earl Erb.

At the matinee performance the other items on the program included a tap dance by Irene Erb; recitation by Winona Rouleau, and a boys' quartette: Earl Erb, Dorn Gilfill, Cam Wordie and Don Robertson.

At the evening performance in addition to the above numbers was a vocal solo by Jack Robertson; piano solo by Doris Bainbridge and Louise Bateman; vocal solo by Norma Parsons; vocal solo by Alex Robertson.

The master of ceremonies was Rev. J.W. Bainbridge. Make-up committee consisted of Miss E. Willison, Laura Morgan, Winnie Miller and Norma Parsons, and the stage manager was Dave Rouleau. Barney Hunsperger and Dick Kimmel were in charge of the lighting and the ushers were Ken Gillie and Anita Andrews. Tickets were taken by George McDonald.

Following the program Mr. Edwards from Calgary gave the cost of the play some helpful pointers.

Next Friday night the Y.P.U. will represent the Red Deer Presbytery in the Young Peoples' Drama Festival, when they will present their one-act play in Calgary.

## EARLY COPY REQUESTED

Lately considerable news copy and advertising has been handed into the Pioneer Office Tuesday afternoon, and as a result the staff has had to work many hours overtime to get the local paper in the mails on time.

We would like to remind advertisers that their copy must be in not later than Monday at 6 p.m., and small news items not later than noon on Tuesday. Since all copy must be set in type by 3 p.m. Tuesday your co-operation is requested.

## Many Visit the Art Display on Thursday

Some 78 persons viewed the Art Display in the basement of Regeer Lutheran Church on Thursday, April 27. The various exhibits drew many favorable comments, but the majority of the people could not quite fathom the pictures entitled "The Birdnest" and "Farmyard". The interest shown by those viewing the exhibits may be gauged by the fact that two inaccuracies were noted in the picture "Old Binder" by Illingsworth Kerr. It was noted that the levers were in front of the binder reel. In "Easter Village" by D.P. Barnhouse, it was noted that the horse drawing the wagon did not have a harness.

The exhibit by our local artist, Eileen Reiber, entitled "September" was very well received. From the general remarks overheard it seems that the most favored pictures were "White Peonies" by Jessie Ursenbach, and "Big Smoky Bridge" by Euphemia McNaught.

It is hoped that in the near future some canvasses of our Didsbury members of the Art Club will be included in these exhibits.

Little Donny Moon rode on the running board of his father's truck from their home in south Didsbury to the railway tracks before falling off. Mr. J. Dick, who was the only person to see him, picked Donny up, none the worse for his experience.

June Sherick, a student of Gore school, was awarded the consolation prize for her essay on "How to Keep Healthy." The Rosebud Health Unit conducted the competition.

## Ladies' Softball Club Recruiting Local Team

Practices have already begun for all those interested in the Didsbury Flyers ladies' softball club of 1950, and indications are that a strong team will represent the town and district again this year.

Members of last year's team turning out are Marjorie Goetjen, Jean Krebs, Alice Wood, Joy Folkman, Clara Schneidmiller, Phyllis Fox, Verla Irwin, Anna Dupont and Frances Burke. Among the newcomers who show promise are Marion Bagshaw, Sandra Wood, Norma Herman and Winnie Miller.

Practices will be continuing at the ball diamond every evening and those interested in playing are invited to turn out.

## NEWS ITEMS OF LOCAL INTEREST

Mrs. Ed Perschbacher and Mrs. Dave Weaver of Castor, formerly of Didsbury, were visiting recently at the home of their brother, Mel Shantz.

—Get your Mother's Day Cards from Law's Drug Store. 5c to \$1.00.

Noreen Nelson, daughter of Jas. Nelson, went to Calgary on Monday for medical treatment. She has taken these treatments for the past three months and it is hoped she will soon be back at school.

—St. Cyprian's W.A. expects to have Mother's Day Tulips for sale at Soley's store. To order in advance please phone 110.

Mrs. Edith Campbell and daughter Sharon and Mr. and Mrs. D. Gillies and David were dinner guests at the home of Mr. and Mrs. Harold Erickson on Saturday, the occasion being the birthdays of Mrs. Gillies and Harold Erickson.

Emil Dupont Sr. has a new Chev. bus on the Melvin school run into Didsbury.

Miss Jean Hartwick of High River spent the weekend at the Jim Hughes home.

Rev. and Mrs. J.W. Bainbridge left on Tuesday for their new charge at Westlock. Doris will remain here during May.

Mr. and Mrs. Gerry Bogner and daughter returned last Wednesday from Wetaskiwin and will again take up residence in Didsbury.

The fishing season opened in this part of Alberta on Monday, May 1, but so far we haven't had any report on the success of those who ventured forth on opening day. The streams are fairly free of ice but the water is not clear and it may be some time before good fishing conditions prevail.

The golf course is getting green once more and the last few days a number of local golf enthusiasts have been enjoying their favorite sport.

A. G. Studer is back in town after visiting with his son in Edmonton.

The weather has cleared off and temperatures have been slowly rising, but below normal for this time of year. Some farmers have started seeding operations, but most of them seem to be waiting for the weeds to grow and additional moisture to fall before putting in their seed. While reserve moisture is reported better than a year ago, good general rains will be needed early in the season if a normal crop is to be produced in this area.

## FARM YOUNG PEOPLE'S WEEK

In order that the educational facilities of the University of Alberta may be made available to a wider circle of our farm young people, the Alberta Wheat Pool is again sponsoring 35 farm boys or girls at Farm Young People's Week to be held at the University early in June. As well as paying transportation costs the Alberta Wheat Pool pays a good portion of the

cost of room and board. Any farm boy or girl between the ages of 16 and 26 is eligible providing he or she resides within an odd-numbered Wheat Pool sub-district. Nominations should be made by local farm organizations which operate wholly or mainly within the boundaries of an odd-numbered sub-district. For further information and particulars interested parties should see their local Pool Elevator agent.

## South West Didsbury

Last Thursday 16 neighbor ladies held a surprise birthday party at Mrs. H. Folkman's home and the honored guests were Mrs. H. Folkman and Mrs. E. Dippel. Mrs. Nun and family of Carstairs were visitors with Mr. and Mrs. Ed Clayton on Thursday.

Mr. A. Miller of Ogden visited the first of the week with his son Lester Miller.

Mr. and Mrs. H. Fischer and Lorraine were Sunday visitors with Mrs. E. Weber. Mr. and Mrs. H. Folkman, Mrs. J. Folkman and Joy, and Martha Befus were Edmonton visitors on Wednesday.

Mr. and Mrs. Meyer and Mrs. Geo. Meyer were Calgary visitors last Thursday. Mr. and Mrs. Norman Weber's modern structure is making rapid progress, with a steady crew.

Mr. and Mrs. Frank Fletcher have the same crew working on their house, remodeling it.

Mr. and Mrs. Fred Befus and family were Sunday guests with Mr. and Mrs. Fred Reese.

Mr. and Mrs. J.B. Hipkin and family were Sunday dinner guests with Mr. and Mrs. Guy Sunberg of Carstairs.

Mrs. J.L. Tuggle and Mr. Ernie Fisher are on the sick list.

Mr. and Mrs. C. Meyer and Mrs. E.A. Bartz were Calgary visitors Monday.

Mr. and Mrs. Cecil Weber motored to Red Deer Sunday to visit the latter's parents.

Mrs. S.R. Sherman and Gerald of Warner are spending some time visiting with Mr. and Mrs. J. L. Tuggle and relatives.

Mr. and Mrs. N.C. Bignell of Munson are visiting with the latter's brother and sister-in-law, Mr. and Mrs. Ernie Fisher.

## COMMUNITY ART CLASSES DISCONTINUED FOR THIS YEAR

The Community Art Classes have come to a close for this year. A number of people viewed the two exhibitions and a few took advantage of the services such as films and library facilities. I believe to those who have attended the classes this service has been well worthwhile and they have discovered how satisfying it is to develop one's own abilities and how much fun it is to create. I sincerely hope that as time goes on more people will become interested in music, drama and art in this district and that the general public will encourage and promote these forms of adult education.

It must be realized that this movement is definitely a step forward in the life of our community. As instructors are very much in demand throughout the province, those interested in painting next year should organize and contact the University as soon as possible. To all those who have co-operated in furthering this cultural movement I wish to express my appreciation, and to the members of this last winter's class I wish to say "Good luck and good sketching."

## WESTERDALE NEWS

(Last Week)

The Willing Workers meeting was  
held at the home of Mrs. B. Radford  
on April 12, with 17 members pres-  
ent. Roll call was answered with  
"a time saver."

Following the reading of the min-  
utes an appreciative letter of  
thanks was read from K. Macdon-  
ald, minister of St. Madoc's, Hector  
Glencarse, Perthshire, Scotland, for  
a parcel sent to him at Christmas  
time and which he divided among  
several elderly persons.

It was reported that \$34 had been  
raised by the Hockey Club for the  
quilt which the Society had donat-  
ed to them.

Those appointed to the program  
committee were: Mrs. L. Jones, Mrs.  
J.P. Schrader, Mrs. J. Cowie and  
Mrs. S. Jackson.

A suggestion was accepted that  
a miscellaneous sale and bingo be  
held early in June. Bingo commit-  
tee: Mrs. W. Herbert and Mrs. S.  
Jackson; Sale committee: Mrs. J.  
P. Schrader and Mrs. J. Cowie.

An agreement was reached that  
prizes be purchased for duplicate  
bingos. Mrs. T. Bolton was in  
charge of the "bit of fun" which  
was won by Mrs. D. Herbert, and  
the consolation by Mrs. H. Jackson.

Mrs. S. Jackson was the winner  
of the hostess prize.

The next meeting will be held  
May 10 at the home of Mrs. A.  
Buckley.

Mr. Ben Kershaw purchased a  
1950 Chevrolet last Monday from  
Edford Motors.

Mr. and Mrs. W. Herbert and  
Mrs. R. Jackson motored to Cal-  
gary on Friday to purchase their  
turkey poult.

The Waltz bowling team was  
successful in winning second place  
in the Thursday night bowling  
league.

Arthur Jackson suffered a frac-  
tured collar bone while playing  
at school last week.

A farewell party was held at the  
home of Mr. and Mrs. A. Jackson  
on Friday evening for Rev. and  
Mrs. J.W. Bainbridge who are leav-  
ing shortly for Westlock. Two con-  
tests were enjoyed by all. Mr. and  
Mrs. Bainbridge captured both  
prizes for the contests. Following  
a short 20 question period Mr. L.  
Jones presented Mr. Bainbridge  
with a Parker fountain pen and  
Mrs. Bainbridge with a corsage of  
pink carnations, from the families  
of the neighborhood, for which the  
honored guests expressed thanks.  
A delightful lunch brought a very  
pleasant evening to a close.

The April 21st meeting of the  
Junior F.U.A. was held at Harold  
Trev's home with ten members and  
one visitor present.

Roll call was answered with  
"your birthstone." Six voting and  
dance admission ticket books were  
received on the Stampede Queen  
contest. Mrs. Buckley gave a very  
interesting reading.

The next Junior F.U.A. meeting  
will be held at Richard Phill's  
home on May 5.

## EVANGELICAL CHURCH

Rev. A. J. Grams, Pastor

Sunday Services: 10:30 a.m., Wor-  
ship service. 11:30 a.m., Sunday  
school.

7:30 p.m., evening service every  
Sunday with the Youth Fellowship  
in charge at every other Sunday  
evening service.

Wednesday evening, 8:00 p.m. —  
Bible study and prayer meeting.

Thursday evening, 8 p.m.—Choir  
practice.

Alternate Sundays at Bethel at  
2:00 p.m., and every Sunday at Jut-  
land at 2:00 p.m., with Sunday  
school followed by worship service.

The pastor and congregation ex-  
tend a cordial invitation to every  
one to worship with us. "Come and  
we will do thee good."

## WEDDING

WEBER-DAVIS

Easter lilies, in a setting of roses  
and lily of the valley, formed the  
bridal bouquet of Miss Ethel  
Davis in Davis for her mar-  
riage at Burr Lake Baptist church  
on Good Friday, to Mr. Cecil Day-  
mond Weber, Rev. Chris Hedegard  
performed the ceremony at 1 p.m.  
in a church decorated with mixed  
bouquets and pink and white  
streamers.

The bride is the younger daugh-  
ter of Mrs. A.E.G. Davis, of Red  
Deer, and the groom the elder son  
of Mr. and Mrs. Gordon Weber of  
Didsbury. Mr. Conrad Johanson of  
Red Deer gave his niece in mar-  
riage.

The gown was styled along  
princess lines of white satin, with  
lace and pearl trim, and her full-  
length veil was held in place by  
a coronet of silver sequins.

Attending the bride was her  
cousin, Miss Mona Stevens, Dis-  
burg, as bridesmaid, and another  
cousin, Miss Carolyn Johanson,  
Calgary, as flower girl. The brides-  
maid wore a colonial style gown  
of pale blue broadened organza over  
tulle, and her headdress and  
gloves were in tone. Deep pink  
carnations formed her bouquet. A  
basket of spring flowers was car-  
ried by little Carolyn Johanson,  
who wore a pink gown and match-  
ing headdress with white gloves  
and shoes.

Mr. Donald Weber supported his  
brother as best man. Ushers were  
Mr. Mervyn Davis, brother of the  
bride, Mr. Melville McEwen and  
Mr. Stanley McEwen, Didsbury.

Mrs. Ernest Good, sister of the  
groom, presided at the wedding music.  
During the signing of the register,  
Mr. and Mrs. E. Good sang a duet,  
"Love Never Falteth." At the recep-  
tion Miss Anita Andrews sang  
"I'll Walk Beside You."

For the reception at the Buffalo  
Hotel, Red Deer, the bride's table  
was centred by a three-tiered wed-  
ding cake, flanked by bouquets of  
spring flowers. For the occasion,  
the bride's mother chose a frock  
featuring a floral pattern on a  
dark background. The groom's  
mother appeared in a wine dress,  
and both had corsages of pink  
carnations.

Leaving for the honeymoon to  
Buff and Field, B.C., the bride  
tossed her wine gingham suit  
with a grey coat and wore match-  
ing accessories. On their return  
the young couple will take up residence  
on the groom's farm at Didsbury.

Out-of-town guests were: Dr. and  
Mrs. Arvid Johnson and children,  
Calgary, and the following from  
Didsbury: Rev. and Mrs. Chris.  
Hedegard and family, Mr. Amos  
Weber, Mr. and Mrs. Gordon Weber,  
Mr. Donald Weber, Mr. and Mrs.  
Norman Weber, Mr. and Mrs. J.F.  
Stevens, Miss Mona Stevens, Mr.  
and Mrs. Ernest Good, Rev. and  
Mrs. Earle Archer, Mr. Mel Mc-  
Ewen, Mr. Stanley McEwen, Mr. I.  
Spreeman, Miss Anita Andrews,  
and Mr. and Mrs. Spreeman and  
daughters.

CANADIAN INDUSTRIES LIMITED

An old-maid shocked at the language of some ditch-diggers near her home, complained to their foreman. The foreman promised to inquire into the matter, and called one of the men over.

"What's all this about profane talk?" he demanded.

"Why, boss," replied Joe, the

ditch-digger, "it's nothing at all, Me and Butch was working there, side by side, and I accidentally let my pick slip and hit him on the head. And Butch looked at me and said, 'Now really, Joseph, in the future you must handle that implement with more caution.'"

## Facts are Weapon in Cancer Campaign

Cancer is an unpleasant fact. But like all facts, there is only one sensible way to deal with it. And that is face it.

It is a statement backed by some tragic figures. Last year, an estimated 25,000 people in Canada developed cancer. Some 15,000 people also died last year of the disease. The number of people cured of cancer would have been greater if needless delay had not been allowed to occur between the time of onset of symptoms and the time reporting to the family doctor for advice.

It is not widely enough known that treatment for the cancer can be more effective when given before the disease has had time to spread beyond its site of origin. The Canadian Cancer Society, by a national education effort is striving to acquaint more Canadians with this fact.

It is commendable that the Canadian Cancer Society which is holding its annual campaign throughout April, is stressing the need for knowledge, for understanding, for participation on the part of the public, quite as emphatically as the Society's own needs for funds to finance its research and welfare programs. The citizen who takes an active personal and community interest in the problems of cancer becomes a contributor to this vital campaign no less than the man who sends in a large cheque.

## MARKET YOUR WHEAT SOON

The urgency of immediate delivery of surplus wheat cannot be over-emphasized. It is calculated that there is about 10 million bushels of such wheat in Alberta at the present time. If this wheat is made available to the Wheat Board at an early date it will be in a position where it can readily be sold. If farmers hold this surplus until June or July much of it must go into carryover and be sold at lower prices. It is to the interests of all wheat producers to market their wheat as soon as possible.

## THE STORY OF MARMALADE

In the 18 century a Scottish grocer, James Keiller of Dundee, heard that a storm bound Spanish ship had taken refuge in the port. Its cargo of sugar and oranges was going cheap. Never one to miss a bargain, James went out to buy. He took the oranges and sugar home to his wife, who had a family reputation for her quince jelly. She concocted a new preserve which she tried on her family and friends. They liked it. James then tried the marmalade on his customers. They liked it so well that James gave up being a grocer and became a marmalade manufacturer. In 1797 he set up a company which, to this day continues to manufacture marmalade, much of it finding its way to breakfast tables in Canada.

## WEDDINGS

### ROBERTSON-VAN HAAFTEN

The Cremona United Church was the setting for a very pretty wedding on Easter Monday when Hazel, daughter of Mr. and Mrs. G.Z.H. van Haaften of Cremona, was united in marriage to Mr. Leon Robertson, son of Mr. and Mrs. James Robertson of Dog Pound, Rev. Pybus of Castairs officiated at the nuptials.

The bride, given in marriage by her father, wore a floor length gown of white satin with pearl embroidery and shadow trim around the square neck line. Her fingertip veil fell from a coronet of net and orange blossoms. She carried a bouquet of roses and gardenias.

Miss Lorna van Haaften, sister of the bride, was bridesmaid and wore a floor length gown of shadow blue nylon and carried a spray bouquet of pink carnations.

Mr. Lay Robertson attended his brother as best man.

The wedding march was played by Mrs. Gordon Reid, and during the signing of the register Miss Theima Luft sang, "In The Garden of Tomorrow."

A reception for fifty guests was held at the home of the bride's parents.

Following a honeymoon in Edmonton, the happy couple will reside in Calgary.

## SEEDING FORAGE CROPS

With forage crop seed prices at unusually high levels it is important that great care be taken when seeding it. J.E. Birdall, Supervisor of Crop Improvements says that failure to observe the few important rules, here they are:

Use only high quality graded seed of proved germination. Over the fence seed business between neighbors without benefit of grade is risky.

Moist soil is essential. If the soil is dry when you want to sow your seed "keep it in the bag." Deep seeding to reach moisture or gambling "on rain within a few days" are good ways of throwing away seed.

Seed into firm soil. Everyone has seen how quickly grain comes up when packed on hard roadways. A very firm seed bed is even more important for germination of small seeds. In fact it is essential.

Seed shallowly. Legume seeds and small grass seed should not be seeded more than one half inch deep and the larger grass seed such as bromes more than one inch deep. In dry areas a companion nurse crop of grain should not be seeded with the forage crops. In moister areas a companion crop may be used if chosen carefully and seeded at a light rate. An early maturing variety of barley such as Olli, seeded not more than one bushel per acre will serve the purpose well.

Inoculate legume seeds. New inoculants are cheap and easy to apply. Be sure to get 1950 inoculant. Look at the date on the container.

## DIRTY

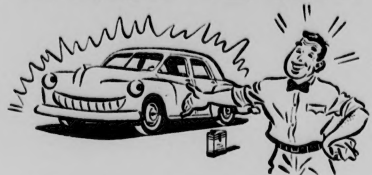

A storyteller who was a bore had been entertaining his guests with tall tales of his adventures. Discussing his stories afterwards, one of the group, remarked that his stories reminded him of a dirty window.

"Why?" asked another.

"Because I can't see through them," said the first.

Another listener laughed loud and long at this quip and said he would repeat it, at the first opportunity. Later he was visiting a sick friend. "You know I heard a good story the other day. One chap said to another, 'Did you ever hear the story of the window you couldn't see through?' and the other chap said, 'No.' Then the first chap said 'Oh, it's just too dirty.'"

## HERE'S THE EASY WAY TO SHINE 'ER UP...

**CHRYCO FABRIC CLEANER** — Easy to use! Quickly removes spots, stains, grease, paint, and gum from car upholstery. Leaves no odour. Will not shrink or injure the finest fabric.

**CHRYCO SPEEDGLAZE POLISH** — Restores that "new car" lustre! Tested for use on all car finishes. No wax content to spoil that original baked enamel surface. Just apply... let it dry... wipe it off. It's as easy as that. Gives lasting, bright polish.

**CHRYCO UNIVERSAL WASH** — The effortless way to wash your car. Three easy steps... hose the car... apply Universal Wash... rinse off! Requires no wiping with chamois. Dries without streaking.

## THE SOURCE OF

## Top management

Here is a typical bank manager—43, married, with a growing family. He is active in community affairs. When he joined the bank as a junior, he was 17, just out of high school. He soon moved up. By his late twenties he was accountant in his branch.

He worked hard. All the time he was learning about banking, about Canada, too, in various branches, different areas... learning to know people—their hopes, fears, problems—the importance of the human factor.

At 36 he was branch manager. Now he has another, larger branch. And his way to advancement is still open. His general manager started as a junior, too... and carried with him to the top the business experience and human understanding gained along the way.

## Oil makes a country strong

Try to imagine life without oil! Oil supplies one-quarter of all the heat and power we use... in home and factory, on farm and highway. It helps us live better.

For years Canadians have had to depend on foreign countries for almost all the oil they used. Now, after a long and costly search, big new fields have been found in Alberta.

The more oil we produce right here in Canada the stronger we will be. Already the new discoveries have made thousands of new jobs. Millions of U.S. dollars once needed for imported oil are now being saved by the new oil fields, and the prairie consumers are saving money too.

In order that Canadians may reap further benefits, Alberta oil must reach new markets. It must be moved to eastern Canada—2,000 miles away—where it must compete with oil from other areas. That means holding transport costs down to a minimum.

To bring Alberta oil east a tube of steel will span one-third of the continent—from Edmonton to Lake Superior. It is taking shape now. To carry the oil on to Ontario refineries, the largest inland tankers ever built are being constructed in Canadian yards.

There's a big job still to be done before the full benefits of the new oil discoveries reach all Canadians. But the job is being carried on with increasing benefit to all of us. Oil is strengthening the nation.

This advertisement is appearing throughout Canada in daily and weekly newspapers

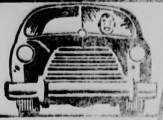

Bringing you oil is a big job... and a costly one

## Are The Good Old Days Desirable Now!

The National Industrial Conference Board, Inc. does an outstanding job of presenting statistics on a wide variety of subjects. Their studies on personnel policy and studies on labour statistics have received and merited widespread commendation. Recently, the Board published a booklet entitled "What An Hours Work Would Buy, 1914-1948", the third in their studies on labour statistics. While the information base therein is based on American figures, the pattern which has been uncovered is equally applicable in Canada. This study demonstrates that the average manufacturing worker in 1914 worked 51.5 hours a week, receiving 25 cents an hour or \$12.72 a week, required \$16.00 a week to support his family and, therefore, required a deficit of \$3.28 a week, requiring 14 hours of work by other members of his family to make ends meet. In 1948, the average manufacturing worker worked 39.7 hours a week, received \$1.47 an hour or \$58.52 a week, required \$18.32 a week to support his family and, as a result, showed a surplus of \$9.00 a week to be saved or used for improving the living standard of his family.

We are all familiar with the stories of the "good old days" when eggs were sold for 15 cents a dozen and a man felt that he could support a wife when his pay reached \$12.00 a week. The reason for the nostalgic regard for the past is that comparisons are always based on the buying power of the dollar. The dollar, however, is of no value whatever as a norm or standard because it varies continuously. The Conference Board recognizes the fact by using, instead of the dollar, the buying power of one hour's work to compare the factory worker's situation over the past four decades. The results are startling and informative. The study was based on the average of pay for 25 manufacturing industries. A consideration to be borne in mind is that the wage-earner today has a much wider range of goods to choose from than his predecessor of 1914 and the standard of living and the convenience he now enjoys are superior to anything available 34 years ago. Some of the details of the study are more than passing interest. For example, 12 hours of work would purchase a week's food for the typical wage-earner's family in 1948. In 1914, it took 30 hours of work. The big item for a Sunday dinner, a roast chicken, required more than four hours' work in 1914. The 1948 wage-earner required only a little more than two hours work to buy the same fowl.

Clothing himself and his family cost the factory worker one half the number of hours of work in 1948 than it did in 1914. Despite the fact that housing conditions have improved considerably over the standards prevailing in 1914, the manufacturing worker in 1948 had to work only a little more than 18 hours a month to house his family as compared with the 1914 average of more than 35 hours. The 1948 model low-price car sold for only 95.1 hours of work despite the fact that the price had more than doubled in 34 years. This meant that the 1948 wage-earner could buy a new car for a little more than one-third the number of hours that one cost in 1914.

The intangible gains, such as the technical improvements, the time and physical energy saved in the home through the use of labour-saving devices, the convenience of modern refrigeration and the comfort of inner-spring mattresses and insulated homes cannot be evaluated in the terms of hours of work. All these things rate consideration, however, when we look at the benefits which have accrued to all of us due to the amazing rise in productivity. There is no ceiling on the benefits which we can hope to obtain if we recognize and appreciate the basic reasons for our material progress and do not waste our time yearning for the largely fictitious advantages of the "good old days."

### BRITISH COLUMBIA PLANTS EIGHT MILLION TREES

Eight million trees are being planted on Vancouver Island this month in one of B.C.'s greatest reforestation projects on logged-over and burned land.

The forest service is planting 5 million trees in the Campbell River area, 750 thousand at Great Central, and one and a quarter million near Hlcrest. The forest industry is planting one million trees.

### PLAN B.C. ROAD FINISH IN 1951

Completion of the \$6,500,000 Hart Highway from Prince George to Dawson Creek, the southern end of the Alaska highway, is not expected by B.C. government officials before the end of 1951. It was reported recently.

The reason is that on certain sections of the route, the type of construction is much heavier than had been expected. Also, the construction of a large bridge is not proposed to start until early next year. Some other bridges also must be built.

### 200 Miles of Highway Graveling This Year

Provincial roads program this season will include 200 miles of graveling according to information given to the legislature by Hon. D.J. MacMillan, minister of public works.

The program also provides for six major hard-surface projects. Speaking of the paving program, the minister said this will take in the remaining 40 miles from Chipman Corner to Vegreville, on the Edmonton-Vegreville highway. Hard surfacing is also planned for 25 miles of new grade between Wataskiwin and Camrose.

Also to receive paving will be 19 miles between Seba Beach and Styal, on the Edmonton-Jasper highway, and the widened sections of the Edmonton-Nisku highway, between Edmonton and Leduc on the highway to Calgary.

Dealing with southern Alberta, the minister said it is planned to hard surface about 44 miles around Taber, on the Lethbridge-Medicine Hat highway. Also, paving will be undertaken for 13 miles on the Crossed Pass road, along with some sections east of Medicine Hat leading to the Saskatchewan border.

Other major projects on the 1950 program include 36 miles of standard grading east of Brumheller, a number of projects in the Peace River district, extensive work west of Leduc to complete the all-weather link with Rimbey, rebuilding of 30 miles of Stettler and about 30 miles unfinished gaps on highway 21 between Delburne and Beiseker.

If the Calgary-Banff route of the Trans-Canada highway is selected, the province will build about 13 miles around Bassano, between Calgary and Medicine Hat, to bring it up to national standards.

### CORRECT TILLAGE HOLDS SOIL

With soil moisture below normal in many parts of the province, spring tillage is an operation that we should consider more carefully than ever this year.

The danger of soil drifting is always with us.

C.A. Cheshire, Extension Agricultural Engineer, Alberta Department of Agriculture, says that a step to help reduce our "black blizzards" is the use of tillage machinery that will leave some protective feature to prevent the high velocity winds from reaching the soil surface. Stubble left standing is one of the best measures most of us can employ. The use of a tiller, discer or blade rather than a plow will give us the desired trash cover, and at the same time provide a seed bed that is adequate.

In the using of these machines they must be properly adjusted, and sharp so that they make a clean cut. At the same time, the depth must be controlled so that the trash is not buried but left to protect the soil. The tiller will leave about one third of the original trash, the discer almost one half, while a blade will leave up to three quarters of the stubble in a position where it can assist in the battle against erosion. When you compare this with the black, unprotected seed bed prepared by a plow the reasons for such recommendations are evident.

Where land has started to drift, Mr. Cheshire advises that a one way disc with three blades out of each three turned will do a job of discing that will reduce or even stop the drifting. Similar effects can be obtained by using a heavy duty cultivator, with alternate shovels equipped with wings to throw up lumpy ridges. The implements must operate deeply, so that clods can be formed and utilized.

## PRINTING ...

Job Printing is an important part of our business and we are ready to serve you at all times in our printing department.

We have all new type in our plant and are thus enabled to turn out better and more modern printed matter.

Check over your supplies now and if there is anything in the printing line you need, give us the order immediately. Do not wait till you are down to that last letterhead or envelope.

OF  
**SAFETY**

Recognized by  
the Police when  
their tests start  
Monday, May 15

On Monday, May 15, Police will start an intensive Province-wide test of the safety features of all cars and trucks not already identified as SAFE with the Official Safety Sticker shown above in facsimile. It is still possible for all safe vehicles to obtain Safety Stickers at garages or service stations recognized by the Police throughout Alberta as Official Testing Centres. With every SAFE motor vehicle officially identified, it will be a simple matter for the Police to check the unsafe machines operating on the Province's highways to the constant danger of drivers and pedestrians alike. When obtaining your Safety Sticker, ask your Official Testing Centre for one of the informational booklets available to every possessor of a Sticker, which automatically confers Associate Membership in the Safety Council.

**M.V.B.C. NEWS ITEMS**

The summer term opened May 1 to continue on through to about the end of June. Lois Salmon, Ernie Neufeld, John Gamble, Abe Sawatzky and Jake Miller are taking seminars in Biblical Literature, and all except Jake Miller are studying Greek II. Mrs. Lydia Suder and Mrs. Pearl Lemont are the instructors.

Rev. and Mrs. J.T. Hoskins expect to leave for the U.S.A. in the near future. Mr. Hoskins plans to attend the Winona Lake School of Theology for six weeks.

Mr. and Mrs. William Annett are moving to the Mountain View parsonage east of Didsbury this week. Mr. Annett was assigned the pastorate of Mountain View United Missionary Church.

Elvern Swalm and Wallace Brower left by bus on Sunday morning for Rochester, Minn., where they will receive medical attention at the famous Mayo clinic.

Due to lack of space last week we were unable to report the Youth For Christ meeting held in the theatre on Sunday evening, April 23. The house was well filled. The Rev. Bob Simpson, Youth director for Western Canada, was in charge.

In this service was featured the gospel team which represents Western Canada Youth For Christ, namely Peter Waldin and G. Lyle Richardson. Both were instructors in M.V.B.C. during the past school year.

The College A Cappella Choir furnished a number of fine selections among which were "My God and I," a Latvian spiritual, and "Ride the Chariot," a negro spiritual. Mr. Richardson sang "The Love of God" by Lehman.

A challenging message was given by Mr. Waldin and a stirring testimony by Mr. Richardson anticipating the invasion of Europe this summer armed with the Gospel. After these features the Rev. Bob Simpson, clasping a hand of each of the two, offered a fervent dedicatory prayer, commending them to Him who is able to guard them and to make their service fruitful. Many Christians pledged their prayers to the men as they go on this important mission.

**FALLEN TIMBER**

(Last Week)

Mrs. Olive Admussen, Elaine and Allan, visited at the home of the former's parents, Mr. and Mrs. J.H. Cooper, during the Easter vacation. Mr. R. Wannamaker and Miss Mary Wannamaker were home for Easter Sunday.

Mr. Archie McMullen of Calgary and Mr. and Mrs. Albert McMullen and children were home for the Easter season.

Miss Bette Gill of Didsbury accompanied Miss Jacqueline McGaffin and her folks on a trip to Fallen Timber for Easter Sunday.

Mr. W. H. McGaffin was a Fallen Timber visitor Easter Sunday. Mr. and Mrs. Joe McGaffin and family, Mr. Mark Sweet, Mr. and Mrs. J. H. Cooper, Messrs. Glenn, James and Keith Cooper, and Mr. and Mrs. J.A. Howton and children attended the play at Big Prairie during Easter week and enjoyed it very much.

Mrs. Dick, Mrs. Joe McGaffin, Mrs. Bill Monecy, Mrs. Anna Wannamaker and Mrs. Joe Adams spent the greater part of Wednesday at the school where they were quilting.

(This Week)

Mrs. Dick visited at the homes of Mrs. Griffiths and Mrs. P. Fair this past week.

Miss Ruth Hayes and Miss Mary Wannamaker are wearing engagement rings. Congratulations, girls.

Little Charlene was a patient in a Calgary hospital recently with pneumonia, but she is now home and well.

Little Judy Moore of Bergen spent a night with her grandparents, Mr. and Mrs. Alex Moore, recently.

Mr. and Mrs. G. Fyten were visitors in the district this past week. Master Gary Moore of Calgary spent the Easter holidays with his cousins, Danny and Jeannie Howton.

Supper guests at the home of Mr. and Mrs. J.H. Cooper a week Sunday were Mr. and Mrs. Robert Moore, Gary and Monty, Mr. and Mrs. C.B. Moore, Mr. and Mrs. Howton, Danny and Jeannie. Congratulations to Mr. Monecy Sr. who was married recently at the coast, where he has been living

the last couple of years. Gene Dick is quite the envy of the rest of the boys in the neighborhood and he is the proud owner of a lovely new bicycle.

Mrs. Joe McGaffin, Mrs. A. Wannamaker, Mrs. Louise Monecy and Mrs. J. A. Howton gathered at the home of Mrs. Dick to finish the quilt and it is now almost completed.

A whilst drive was held at the school recently. There were only four tables and men's first prize was a draw between Mr. T. Mc-

Gaffin and Mr. J.H. Cooper, with Mr. Cooper winning. Ladies' first prize went to Mrs. Bill Dick, while men's consolation went to Johnny Hayes and ladies' consolation to P. McGaffin.

## -: DISTRICT NEWS :-

## WESTERDALE NEWS

Mr. and Mrs. Ben Kershaw and Greta motored to Acme on Sunday where they visited with Mr. and Mrs. T. Collinge.

Mr. and Mrs. B. McGaffin of Didsbury visited at the home of Mr. and Mrs. R. Jackson Wednesday evening.

Mrs. E. Doolittle has been staying at the home of Mr. and Mrs. A. Jones for the past week.

Mr. and Mrs. C. Ford and children of Calgary and Marilyn and Sam Jackson were supper guests Saturday evening at the home of Mr. and Mrs. R. Jackson.

Mr. and Mrs. C. Ford and children of Calgary spent the past week visiting at the homes of Mr. and Mrs. E. Jackson and Mr. and Mrs. Bruce Grant of Westward Ho.

Mrs. J. Cowie has been on the sick list the past week.

Mrs. Frank Herbert was a patient in the Didsbury hospital last week. Leslie and Francis Jackson visited at the R. Jackson home Sunday afternoon.

## HEALTH UNIT REPORTS

Saturday, April 29, 1950—Several weeks ago, on the occasion of Health Week, we put out a suggestion to our schools that we would award a prize of five dollars for the best essay on "What I Must Do to Keep Healthy". The response was not overwhelming, but there have been several good essays as a result, some of which have been quite excellent. The essay which won first prize came from Carstairs and it took our fancy for its freshness and originality of approach. With due acknowledgements to the writer we reproduce it here:

"I can lose my money, and can get some more, but if I lose myself, I am done for! It's not good poetry, I know, but when you come right down to it, it's the truth. To me, I'm the most important person. It's not vanity, it's common sense. That's why I must keep healthy. 'To keep healthy', that's being healthy physically, mentally and emotionally. That's a pretty big order. Let's see what I can do about it.

Well, I guess, first of all I should breathe fresh air. That is, air free from as much impure properties as is possible, air having been humidified to the proper extent leaving it not too moist nor too dry. Next, I believe that in order to get this fresh air I should be outside doing some exercise. Exercising builds muscles too, and it also helps your mental and emotional outlook on life. The ability to play one game well gives you a warm glow of pleasure inside and the presence of this game gives you a medium through which you may escape the daily routine.

But goodness, I have just remembered if I play games and work and exercise all the time, I'd get pretty tired. So that's why I'll take time out to rest at least eight hours and better still ten hours. I should have a mattress on my bed that isn't too soft, blankets that aren't too heavy, and an open window in my room allowing me to breathe that fresh air.

"Now, let's look at another angle. When I exercise I'm using up cells in my body. These need to be built up again, and just the same as a house needs more than lumber to make it, my body needs more than sleep to build cells. It needs food too.

The food I eat is made up of several different actors and classed in several categories. Strange as it may seem there are vitamins and minerals waiting inside the food I eat. When they get inside me they get to work. The carbohydrates, fats and proteins supply my body with energy and keep it warm. The most concentrated fuel is fat. It is stored and my body calls upon it for fuel, in times of need. Proteins build muscle and all the tissues. Mineral compounds are important. There are vitamins too. Vitamin A promotes growth and protects my eyes against diseases. Vitamin B helps prevent fatigue and nervous diseases. Vitamin C is essential for proper bone structure and promotes firm gums and teeth. Vitamin D is the sunshine vitamin and prevents diseases like rickets.

Well, I guess with all this I should be the most physically fit person in Canada, but you know I've just thought of something: what good is my physical fitness if my mind is deficient? This seems highly improbable, but to prevent it ever happening I must take myself as I am and keep foremost in my mind that the most valuable thing to me is myself."

## MOUNTAIN VIEW

Mr. and Mrs. Ed Stiles motored to Edmonton for the closing exercises at the University, and their son Donald came home with them for a few days prior to leaving for Veteran to work.

Congratulations to Mr. Jack Archer on graduating from M.V.B.C. He will be taking up work at Acadia.

Mr. John Parker has also returned from the University for the summer.

The Young People of the Gore Sunday School met at the hall on Sunday evening.

Mr. and Mrs. Louis Kohut of Calgary visited Friday with Mr. and Mrs. Ed McGill.

Mr. and Mrs. Wm. Shultz and family were supper guests with Mr. and Mrs. Bob McCulloch Sunday evening.

Mr. and Mrs. Raymond Hayne and family visited Sunday evening with Mr. and Mrs. Lawrence Hunter and Mr. and Mrs. Worrall.

Mr. Conrad Wagner had a birthday Friday and on Sunday Mr. Dan Morasch and family, Mr. and Mrs. Albert Morasch and family, Mrs. Wagner's brothers and Mr. and Mrs. Jake Nuss of Calgary came up to celebrate the occasion. They reported seeing the home, before leaving, that the airplane completely demolished when it crashed and killed the pilot.

Miss Joy Elliott spent Saturday and Sunday with Mr. and Mrs. Joe Hunter. Mr. and Mrs. Gordon Rathburn and family, and Mr. and Mrs. Sam Elliott and family also spent Sunday afternoon visiting at the Hunter home.

Mr. George Morasch and Harry spent Sunday evening with Mr. and Mrs. Harvey Hoesgood.

Mr. and Mrs. Harold Thompson were dinner guests on Sunday with Mr. and Mrs. Otto Bittner and family.

Friday afternoon the Gore school pupils and some of the parents motored over to the Ross school for a game of softball and Miss Davies of the Health Unit, showed some very interesting films on "Life of the Salmon" and a film on Banff.

Folk are asked to keep in mind that there will be a dance at the Mountain View Hall on May 23, sponsored by the Ladies Auxiliary. Mr. and Mrs. Art Thompson and Barry were Sunday visitors with Mr. and Mrs. Gordon Bellamy of Garfield.

Mrs. John Brand of Langdon and daughter Sheila are spending a week or so with Mr. and Mrs. Wm. Bruce.

Mr. and Mrs. John Bruce and family of Olds spent Sunday with Mr. and Mrs. Wm. Bruce.

## BERGEN NOTES

The Ladies Aid met this month at the home of Mrs. Trygve Haug. There were eight members present despite the bad roads and winter weather and an enjoyable afternoon was spent. The May meeting will be held at the home of Mrs. Harvey Wideman.

Mr. Jack Davidson is on the mend, having been quite ill for the last few weeks.

Mr. Dick Ladd returned home last week from a Calgary hospital where he spent several weeks following an operation.

Jimmy Haug recently spent a week in Edmonton where he took a bushman's safety course, sponsored jointly by the Workmen's Compensation Board and St. John's Ambulance Brigade. He was accompanied by Ray Bliss and Mr. Marchant of Sundre. Mrs. Pete Hendrix also took the course.

Pete Hendrix has finished his cut of logs east of Bergen and is moving his mill back to Niche Valley.

Haug Brothers will begin sawing this week for Trygve Halverson.

From what we hear (and see) there will be three or four weddings this coming June or thereabouts, in this district.

Mr. and Mrs. Kay Cook and girls expect to leave Monday for Castor where they will visit for a few days.

Mr. and Mrs. Norman Cook returned home from Calgary this weekend.

## BOARD OF TRADE MEETING

MONDAY, MAY 8, LIONS HALL

The Didsbury and District Board of Trade will meet in the Lions hall on Monday, May 8, at 8:00 p.m. and a full attendance is requested. Important business is to be discussed, including plans for the coming year, the shopping carnival, and the election of officers will be held.
